

Fire Chief Kyle L. Ienn

I would like to be nominated for the VCOS Board to assist and be part of the continued growth of the organization. The future of the Volunteer fire service is going to require Officers to think outside the box and in many times make some difficult decisions in order to provide the services required by the public we serve. The VCOS currently has great programs to assist Officers with these issues and I feel I can bring my experience to the Board to continue its success.

The VCOS is a well organized organization that I feel I could utilize my 12 years of Fire Chief experiences to continue to achieve the organization's goals and assist other Officers and organizations.

To be nominated for the Board would be an Honor that I would take seriously.
